EXPERIENCE

Colette Rocks | *Frontend Developer*

Nigeria (Remote) | **Oct 2022 – Present**

- Working in a 2-person lead team, together we wrote the first lines of code using React, Redux, Firebase, Typescript and GraphQL.
- Writing clean and maintainable code across the application.
- Collaborated with team members using version control systems like Git to organize modifications and also assign tasks.
- Managed a tight investment budget to kickstart the development process.

Fiverr | *Fullstack Developer*

Nigeria (Remote) | **Jun 2019 – Oct 2022**

- Delivered a good number of full stack applications to clients across the Globe.
- Worked with frameworks/tools like JavaScript, Node Js, flutter, WordPress, shopify and solidity.

INTERESTS

Football: My favorite football team is Manchester United and my favorite football player is Kai Havertz, I also enjoy watching Cristiano Ronaldo.

Music: I enjoy listening to music even while coding, I love Rock and Pop Music and I like listening to Coldplay.
